

## July 2026

### Answers to Prayer:

- The Moving Up workshops run by **PACE** staff and church volunteers have been really encouraging. As well as preparing the Year 6 students for the transition to secondary school, they have been introduced to the PACE Secondary School workers.
- The Drug Awareness lessons at Twynham and The Grange went really well and had a powerful impact on students and staff - please pray for this to lead to RE lesson bookings next year.
- Thanks to a few final runs of lessons confirming, we are set to do over 300 lessons this year - up from 260 previously.
- Roy is having some really good endings with Authentic staff.
- There has been an email sent to Authentic schools saying that supervision can continue but it needs to come from the schools budget.
- We already have one Authentic School continuing with supervision.
- The sun shone for the cream tea, it was well attended, informative and entertaining!
- Money to fund our work has been steadily trickling in as we need it - we now have sufficient funds to take us to the end of this academic year.

### Prayer Requests:

- As we start to book in assemblies, lessons etc. for next year, please pray for positive responses from staff.
- For clarity from schools in other trusts in which we supervise to what's happening in September.
- For Pauline and her husband Keith.
- For Lynley and her husband John.
- For funding to take us into the new financial/academic year. In particular for the decision on a large funding application which has been delayed for several months but should be decided by the end of July. For the team as they finish the academic year and go on summer leave - for good rest and refreshment over the summer.

The **PACE** schools work team is made up of **PACE** Staff and people from local churches. Many of these are **PACE** volunteers\*; others already have their own link with the school because of their church role and so are church volunteers.
