ANOTHER BEAUTIFUL FLOWER FESTIVAL

Dear Church Family,

A shorter letter from me this week. I want to begin by thanking everyone for all your work making the Flower Festival such a success. It was brilliant to see the church putting on an event which could be enjoyed by so many, and to see members from both churches working together.

On Sunday evening I quoted the following words from Genesis, where speaking of creation the author says 'God saw that it was good.' In a world in which we are so often aware of the challenges and struggles of life it was wonderful to have an event which actually encouraged us to look at the blessings which exist alongside the suffering. To see the church filled with such beauty from the natural world, was a powerful witness to the beauty that does surround us, and which was created by God for our enjoyment.

It was also great to start and end the weekend with opportunities to encounter the Creator for ourselves, and to have the opportunity to reflect on all that God has done for us. I hope you enjoy the photos from the festival!

“Your word is a lamp for my feet, a light on my path. that I will follow your righteous laws. I have suffered much; preserve my life, Lord, according to your word. Accept, Lord, the willing praise of my mouth, and teach me your laws. Though I constantly take my life in my hands, I will not forget your law. The wicked have set a snare for me, but I have not strayed from your precepts. Your statutes are my heritage forever; they are the joy of my heart. My heart is set on keeping your decrees to the very end.” (Psalm 119:105-112)
